GILGO MARINA BOATING
RULES AND REGULATIONS 2026**

1. ****NEW** Town of Babylon 2026 Boat Docking/Launching Permits will be issued only to adults (18 years of age or older) whose primary residence is within the Town of Babylon. Owners of rental or commercial properties who are domiciled outside of the Town of Babylon are not considered Town residents.**
2. No vessel will be permitted to dock without a Town of Babylon 2026 Docking Permit. Permits are issued only to adults (18 years of age or older). **All boaters must register with the Dock Master on duty upon arrival at the Dock Master's Booth or Office.**
3. All boaters must register with the Dock Master upon arrival. There are absolutely NO reservations allowed. All boats must be present when registering.
4. The use of all dock berths is on a first come, first served basis. However, any boat using a berth for ANY portion of a weekend (Friday at 12 PM through Monday at 11 AM) is ineligible to use a berth the following weekend at that particular facility. **The limit of stay permitted by boaters is strictly enforced and any boater found violating this requirement will be denied further permits for use of any berth.** Boaters may re-enter the marina the following weekend after Saturday at 3 PM if slips are available.
5. There will be a daily fee for use of a docking berth.
6. Dock berths must be occupied immediately upon arrival. No boat may be left overnight without a responsible adult. At no time may boats tie broadside to the dock. All boats will tie up stern first on main dock of designated berth. Transfer of berths and/or equipment thereon from one party to another is not permitted. In the event that you leave the berth, you may tie off your slip only after notifying the Dock Master. The Town of Babylon will not be responsible for any equipment or property left on an unattended slip.
7. All floating dock slips are transient. Floating dock slips are not allowed to be tied off. Once a vessel leaves the floating dock, the slip is released. If returning later in the day, slip must be repurchased.
8. No boat may be left overnight without a responsible adult. If a paid customer is leaving their vessel at the dock overnight, with the permission of the Dockmaster, they are permitted to have one vehicle that has the 2026 Town of Babylon Beach Permit and parked directly in front of their slip. No other vehicles will be permitted. This rule will be strictly enforced.
9. ****NEW** There shall be no use of any gasoline or diesel fueled generators. Solar powered generators that do not rely on fuel are permitted. Generators must remain on the boat at all times. Cords must not be draped over the dock. Generators and cords must be UL listed and marine grade.**

10. **NEW All vessels must carry a portable fire extinguisher.**

11. On the main dock, only one of the following is allowed to be tied to the bow of a vessel at any given time: Jet Ski, raft, kayak, dinghy, etc. All motorized vessels tied to the bow of a boat must be registered with NYS DMV.

12. The current slip occupant is NOT entitled to a free parking space for their vehicle. You must present a valid Town of Babylon 2026 Beach Permit.

13. Quiet hours must be observed from 11 PM to 8 AM. Generators are not to be used during quiet hours. All children under the age of 18 must be at their respective slip during these hours. Failure to observe this rule will be sufficient cause to deny a boater the privilege of a slip.

14. Children must be supervised by an adult at all times, everywhere in the facility. If a child is found unattended, this may cause a possible revocation of your permit.

15. Guests may enter the Marina between the hours of 8 AM and 7 PM only. Guests must have a Town of Babylon 2026 Beach Permit. All visitors must be out of the Marina by 8 PM.

16. Boaters are responsible for the behavior of their guests and their children. It is the boat permit holder's responsibility to inform guests of the rules and regulations of the Gilgo Beach Marina.

17. Residents and guests must be courteous and respectful of all Town of Babylon staff and property.

18. Bathrooms at Gilgo Beach are open from 8 AM to 8 PM.

19. Discharging marine toilets is prohibited. Violators will be prosecuted. A waste disposal pump is available for boaters' use free of charge. No boat may dock at the Pump-Out Station, unless planning to use the Pump-Out Facility.

20. Illegal drugs are not permitted. A person's drunk or disorderly conduct, while under the influence of alcohol or drugs, will result in their eviction from the park. Violation of this rule will lead to revocation of your park privileges.

21. Open containers are not allowed. Boaters are not allowed to setup bars. All beverage containers must be stored and not on display.

22. No glass bottles are permitted at this facility.

23. Animals and pets are not permitted at this facility. No exceptions. Violation of this rule may result in the revocation of park privileges.

28. All types of pools, hot tubs, etc. are not allowed. Drones are not allowed.
29. **Bay Constables are NY State Peace Officers and are authorized to make an arrest and issue summonses. Failure to comply with their directions and instructions or Town Rules and Regulations will result in the revocation of your permit.**
