## **Town of Babylon 2026 Preliminary Budget**

### **Budget Message**

October 21, 2025

Dear Town Clerk and Town Board Members:

I am pleased to present the Town of Babylon's 2026 Preliminary Budget. This proposed spending plan reflects the continued strength of our long-term fiscal management strategies and builds on the careful budget decisions made in recent years. Because of that foundation, we are now in a strong position to move forward with confidence and purpose.

This budget has been developed in accordance with the following core principles:

- **Debt Management Policy**
- **Fund Balance Policy**
- **Stable and Responsible Taxation**
- **Strategic Infrastructure Investments**

The Town of Babylon remains committed to delivering essential services, maintaining stable taxes, and advancing the quality of life for all residents.

As we look ahead, national economic trends suggest the potential for modest challenges in the coming year. While we remain attentive to these conditions, the Town is well-positioned to respond. Our years of disciplined budgeting, long-term planning, and conservative financial practices have created a strong foundation ensuring we can continue delivering essential services and maintaining fiscal stability under any circumstances.

This Preliminary Budget includes a slight increase in the town property tax levy, in line with the State's tax cap, which allows us to continue providing essential services while maintaining fiscal responsibility.

This budget continues to prioritize investments that support sustainable growth and protect the well-being of our residents. That includes:

- Ongoing enhancements to our Planning Department to encourage responsible economic development and reduce delays in the project approval process.
- New investments in public safety to respond to quality-of-life issues and maintain safe neighborhoods throughout the Town.

Our department heads were asked to review all expenditures and identify opportunities for efficiencies. The resulting budget represents a disciplined and focused approach—ensuring that we live within our means while making smart investments for the future.

The Town continues to explore new, sustainable revenue sources and remains focused on reducing the overall debt burden to protect taxpayers today and tomorrow.

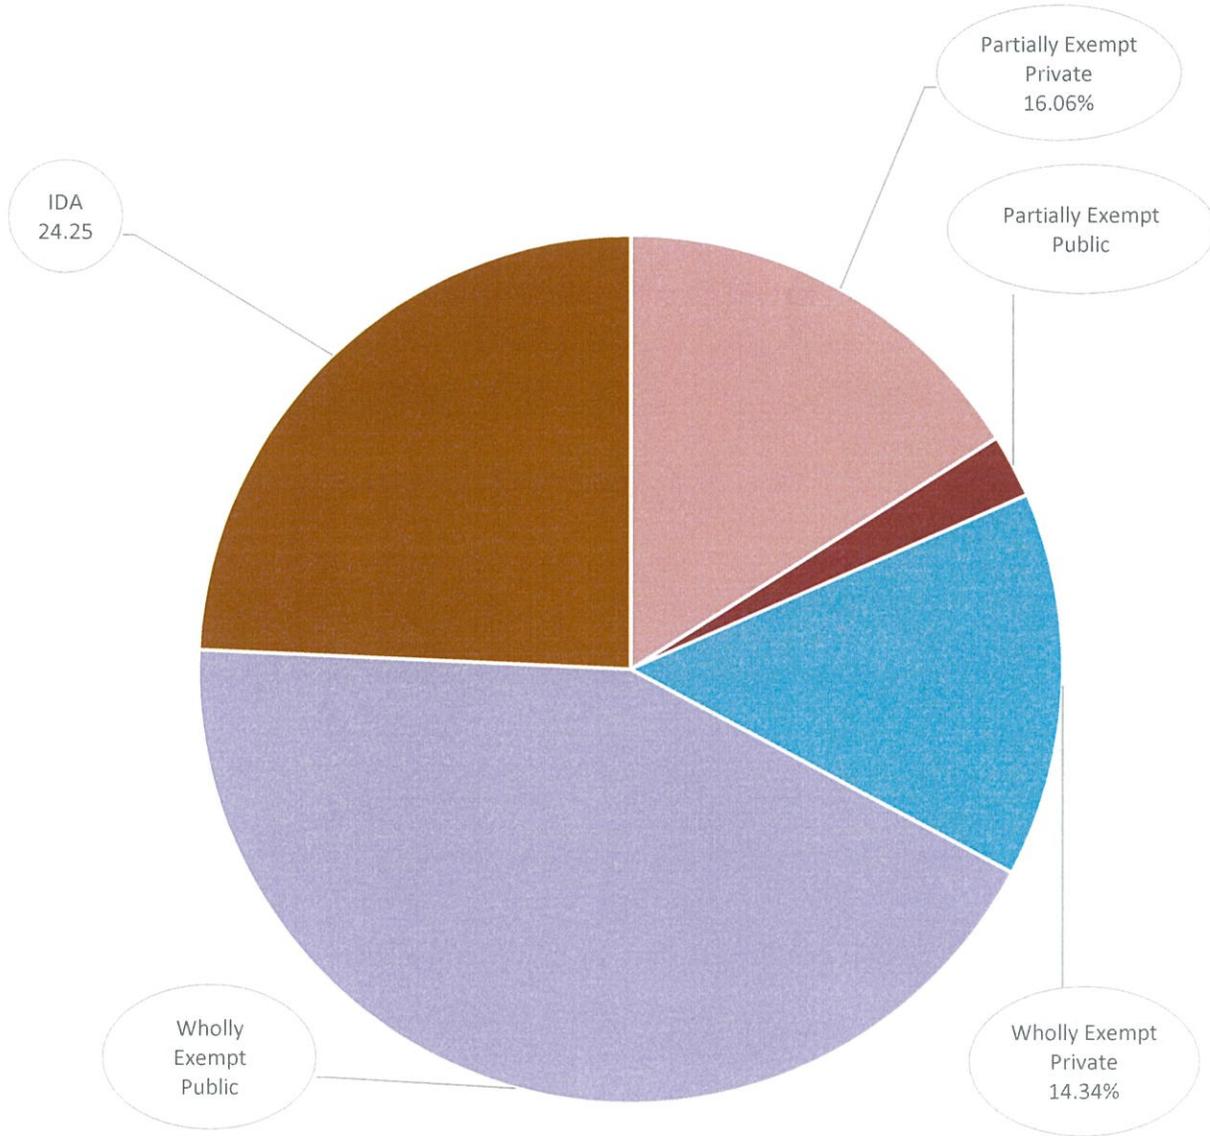

I look forward to working together in the months ahead as we finalize this budget and continue to advance the goals and priorities that matter most to the residents of Babylon. Thank you for your continued partnership and support.

**Sincerely,**

**Richard Schaffer**

## **Town Overview**

### **General Information**

The population of the Town according to the 2020 U.S. Census was 218,223. The Town encompasses an area of 53 square miles and is located approximately 33 miles east of New York City in southwestern Suffolk County on Long Island. It is bordered by the Town of Oyster Bay to the west, Islip to the east, Huntington to the north, and the Great South Bay and the Atlantic Ocean to the south.

The Town includes within its borders three incorporated villages of Amityville, Babylon and Lindenhurst. In addition, there are the unincorporated hamlets of Copiague, Deer Park, North Babylon, West Babylon, North Amityville, East Farmingdale, North Lindenhurst, Wheatley Heights and Wyandanch.

The total area of the Town includes approximately 4,530 acres of industrial zoned land. Recent major initiatives that have been embarked on in the Town are as follows:

- A major downtown revitalization effort for the hamlet of Wyandanch located in the northern central part of the Town. In connection with such redevelopment, the Town designated the downtown Wyandanch business district an Urban Renewal Area in accordance with Article 15 of General Municipal Law. The redevelopment is focused on the Wyandanch area that

surrounds the existing railroad station of the same name (which has been completely re-built) and included pre-development work including property purchases, re-zoning, securing necessary permits, community approval, demolishing existing structures and grading the properties, some of which is on-going. Phase I of the construction, handled by a private developer contracted by the Town through a request for proposal process, began in the Summer of 2013, and included the construction of Building A and Building B, which contain 177 residential units that are fully occupied. The construction of the Intermodal Plaza, which includes green space, ice rink and other amenities, were completed in 2016. The MTA has also constructed a new train station with platforms and sidewalks. Along with this redevelopment, the Metropolitan Transit Authority (MTA) constructed a five-story parking garage. Building D, the “liner” building, located at 11 Park Drive, surrounding the north and west sides of the parking garage, and intended to improve the aesthetics of same, along with activating the streetscape, is complete. This building is a senior living residential building, operated by the non-profit group Self Help. Building E, containing 124 residential units totaling 124,000 square feet, was completed in 2021. Building C is now planned as a mixed-use commercial and retail building. In parallel, the Master Developer will assess whether residential uses are feasible on this site. SunRiver Health intends to construct a new health center on a Town parcel adjacent to its current facility, and the YMCA is exploring a joint venture with the Family Life Center in the northwest quadrant of the redevelopment area. To support transit-oriented activity, the Town is also evaluating dedicating the parcel adjacent to the train station for public parking. A 1,260 square foot building for the new Wyandanch Community Resource Center which contains two offices, an open office area and a conference room, all of which will better facilitate the Resource Center’s operations has been completed.

Development work has started for Phase II of the Wyandanch Rising revitalization initiative which is slated to include four buildings with 34,200 square feet of commercial units and an additional 264 residential housing units, including a mix of varying-sized dwelling units, and townhouses. Phase II is comprised of approximately 12.9 acres and is located at the

southeast corner of Long Island Avenue and Straight Path, stretching east to Doe Street. Building L, a mixed-use multi-residential building, as well as Building N, a charter school, started construction in 2023. Building L is anticipated to open in 2025 and the charter school opened in 2024. Further developments include the continuation of the Wyandanch Village transit-oriented development along the Straight Path corridor, while connecting and transitioning to the existing Wyandanch community.

- The road reconstruction program rebuilding the Town's roads which began in 2004.
- Renovating, refurbishing and rebuilding the Town's parks and beaches.
- Construction of Beacon Family Wellness II
- CLEAN Program – an initiative which aims to tackle the pressing issues of litter and overgrowth in our public spaces enhancing the beauty of our town while ensuring the health, well-being and safety of our community and environment.

### **Financial Organization**

Pursuant to Local Law No. 12, 1974, of the Town, certain of the financial functions of the Town are the responsibility of the Town Comptroller. The Supervisor, however, is the Chief Fiscal Officer of the Town. The Town Comptroller is responsible to the Town Board and acts as the Accounting Officer of the Town pursuant to a Town Board resolution. The duties include administration, direction and control of the following divisions: Accounting, Accounts Payable, Accounts Receivable, Audit and Control, Payroll, Community Development Program, Housing Program and Risk Management. The term of the current Town Board-appointed position of the Town Comptroller expires December 31, 2025.

### **Employees**

As of August 25, 2025, the Town provides services through approximately 423 full-time employees. The Town's contract with the Civil Service Employees Association covers approximately 111 employees and expires on December 31,

2033, a nine-year contract. This new agreement will enable the Town to provide services to its constituents in a fiscally responsible way. The Town also negotiated a nine-year contract with Local 237, covering approximately 221 employees and expires on December 31, 2031. The Town looks forward to continuing our mutually beneficial relationship with the collective bargaining units.

## **Services**

The Town is responsible for providing most governmental services to its residents and businesses. Highway construction and maintenance is a Town function under the direction of the Commissioner of the Department of Public Works. In addition, recreation services are provided, solid waste collection, recycling and disposal services are provided, and parks and beaches are maintained through the Town government. Other services performed at the Town level include: property assessment, building inspection, zoning administration and public safety. Police protection is provided by the County except in the Village of Amityville which has its own police force. Fire protection is provided by the Town's various fire districts or volunteer fire corporations. Public education is the responsibility of the ten school districts located in the Town, each of which is independent and has its own taxing and borrowing authority. The County provides various social and health services and law enforcement.

## **Transportation**

Route 110 is one of the major north-south traffic arteries in the Town and is the center of an industrial corridor. Other major north-south roads are Route 231 and Wellwood Avenue. East-west highways include Route 109, The Southern State Parkway, Sunrise Highway (Route 27) and Montauk Highway (Route 27A). The northern portion of the Town is served by the Main Line of the Long Island Railroad with stations at Pinelawn, Wyandanch and Deer Park. This line is electrified to Ronkonkoma. The southern portion of the Town is served by the Montauk Branch of the Long Island Railroad with stations in Amityville, Copiague, Lindenhurst and Babylon. The Montauk Branch is electrified to Babylon. The Central Branch of the railroad connects the Montauk and main lines and provides freight facilities to industry in the area.

Republic Airport, which is operated by the New York State Department of Transportation, offers private scheduled service to points in the Northeast United States. LaGuardia Airport, J.F. K. International Airport and Long Island MacArthur Airport are all less than a one-hour drive from the Town.

## **Budget Process**

The Town's governmental funds are budgeted and reported using a modified accrual basis. Revenues are considered to be available when collectible and expenditures are recorded when incurred.

Each department outlines functions and goals for the coming operating year and prepares detailed estimates of revenues and appropriation requests needed to accomplish its goals. A budget committee consisting of the Town Supervisor, Deputy Town Supervisor, Chief of Staff, Deputy Chief of Staff, Comptroller and Deputy Comptroller review the requests of each department head. Upon completion of the review, the budget committee prepares a Tentative Budget for submission to the Town Board.

The budget process, including preparation, approval and amendment thereof, is stipulated by Article 8 of New York State Town Law. Pursuant to the law, the Tentative Budget for the following fiscal year must be filed in the Office of the Town Clerk on or before September 30<sup>th</sup> of each year. Following review and modification, a Preliminary Budget is compiled that includes all operating funds and a public hearing is scheduled and held by November 15<sup>th</sup> of every year. At this hearing, members of the public may express opinions which the Town Board may take under advisement. Approval of the budget is not subject to a vote of the electorate and the Town Board may make changes following the public hearing process. The Town Board is required by law to adopt the Final Annual Budget by November 20<sup>th</sup> of each year. During the course of the budget year, subject to legal provisions, the Town Board may make changes or modifications to the Adopted Budget when needed.
