Town of Babylon

2023 Adopted Budget

Budget Message

November 17, 2022

Dear Town Clerk and Town Board Members:

In the following pages, you will find the Town of Babylon's 2023 Adopted Budget. This budget was drafted in accordance with the following guiding principles:

- The Town's Debt Management Policy;
- The Town's Fund Balance Policy;
- Maintain critical and essential services while keeping Town taxes stable; and
- Continued Town infrastructure improvement projects.

This \$ 176.0 million Adopted Operating Budget is a responsible spending plan that allows the Town of Babylon to once again fulfill our fiduciary commitment to our taxpayers. With this budget, the Town of Babylon continues to invest strongly in our services, infrastructure and parks while taking the necessary steps to ensure continued financial stability for our taxpayers.

This budget will increase Town taxes by 4 percent for residents outside of the villages of Lindenhurst, Amityville and Babylon. Village residents will only see a small increase in garbage collection taxes.

The Town has negotiated a 5-year contract extension with its garbage collector that keeps the town's garbage taxes among the lowest on the island while also allowing the provider to purchase a new fleet of trucks.

Responding to resident concerns, we have made new investments in our public safety department that will focus on quality of life issues. The Town is committed to keeping Babylon safe and a wonderful place to live.

The COVID-19 pandemic continues to have a significant negative impact on the Town's revenue and expenses. Revenue for permit fees, fines, parking tickets, commercial garbage collection, and interest earnings continue to be affected. Supply chain issues coupled with the extraordinary increase in CPI of over 10.6% from June 2021 to June 2022 has also required the Town to take a hard look at our spending, prioritizing needs over wants.

The Town must also continue to take into account State-mandated health insurance and pension costs, as well as contractual salary increases for our collective bargaining units. Given these factors, our goal in this budget once again is to keep the Town on solid financial footing so that we are prepared to weather any future economic volatility that may arise from nationwide trends and policies.

The Adopted Budget continues the Town's budgeting practices of long-term structural balances among its many operating funds. We will continue to prioritize locating new sustainable sources of revenue without putting a further burden on our taxpayers so that we are able to lower the amount and duration of outstanding debt, build on commercial development and control spending on those areas within our power.

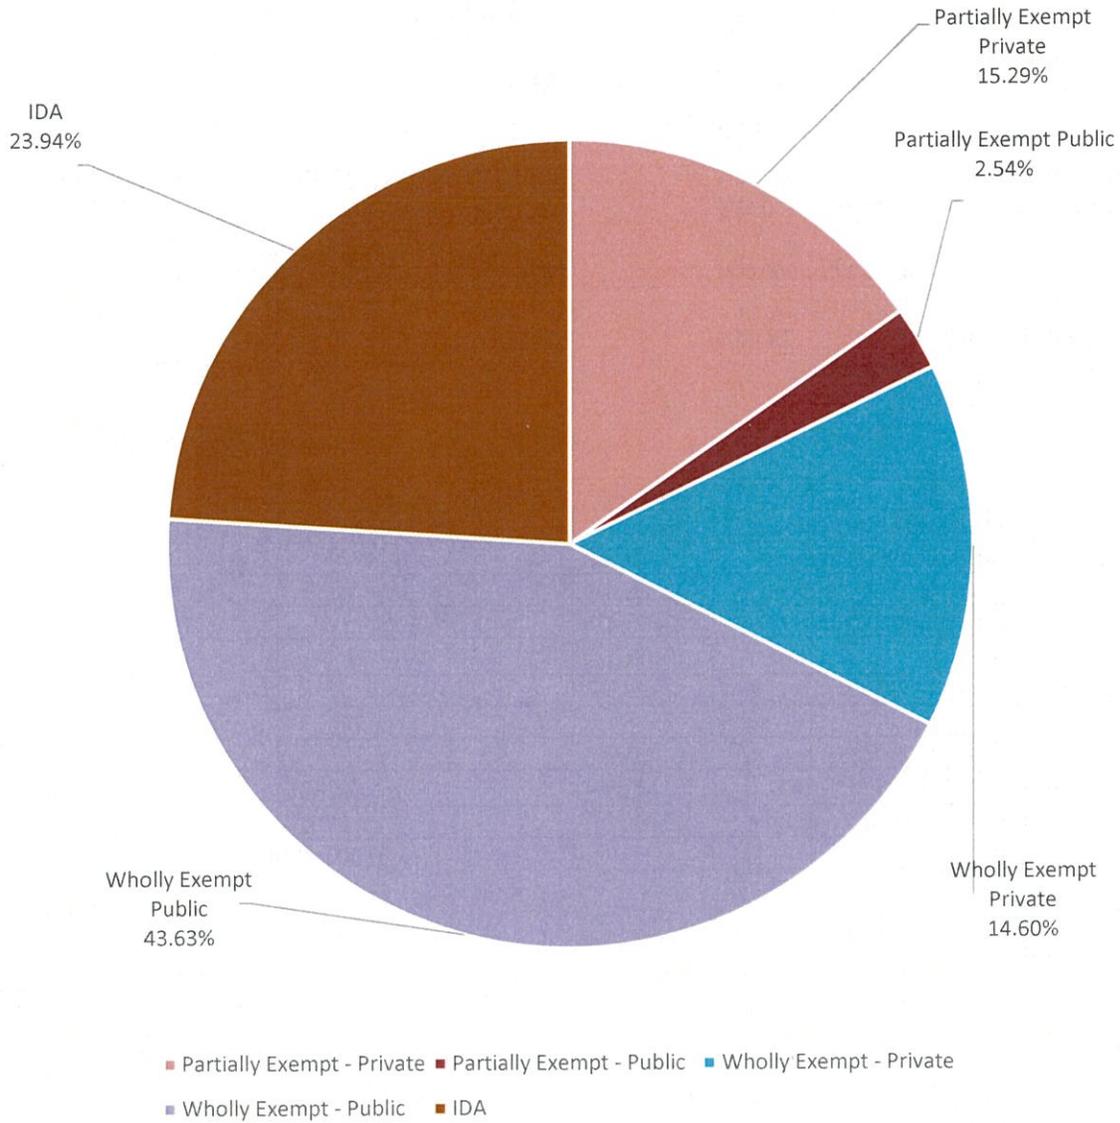

The Town of Babylon has been well-positioned to sustain the effects of past catastrophes due to our commitment to fiscal responsibility and conservative budget practices. These philosophies extend to the 2023 budget. I look forward to working with you over the coming year to fulfill our goals and maintain the high quality of life that constituents expect.

Sincerely,

Richard Schaffer

Supervisor, Town of Babylon

Introduction:

Town Organization and Services

The Town of Babylon was established in 1872 and is governed by Town Law, other general laws of the State of New York and various local laws. The Town Board consists of the Supervisor and four council members who are elected for a term of four years. The Town Clerk and Receiver of Taxes are elected and serve four year terms. The Town Board appoints the Town Attorney, Town Comptroller, Commissioner of Public Works and Assessor whose terms are fixed by Town Law. The Director of Youth Services is appointed by the Supervisor. The Town Board appoints the following six Commissioners: General Services, Human Services, Parks, Planning and Development, Public Safety and Environmental Control. The Commissioners serve at the discretion of the Town Board. The Town Board also appoints a Personnel Officer for a six year term.

The Town provides the following principal services either directly or through Town-operated special districts; parks and recreation, highway construction and maintenance, inland waterways and marinas, building inspection and zoning administration, citizen and community services, fire protection, street lighting, solid waste collection, recycling and disposal and administration of certain state and federal grants.

Town of Babylon Organizational Chart

The following diagram represents the corporate structure of the Town as outlined above.

Mission Statement

To provide quality services and facilities to the people of the Town of Babylon in a professional, courteous and cost effective manner.

Town Overview

General Information

The population of the Town according to the 2020 U.S. Census was 218,223. The Town encompasses an area of 53 square miles and is located approximately 33 miles east of New York City in southwestern Suffolk County on Long Island. It is bordered by the Town of Oyster Bay to the west, Islip to the east, Huntington to the north, and the Great South Bay and the Atlantic Ocean to the south.

The Town includes within its borders three incorporated villages of Amityville, Babylon and Lindenhurst. In addition, there are the unincorporated hamlets of Copiague, Deer Park, North Babylon, West Babylon, North Amityville, East Farmingdale, North Lindenhurst, Wheatley Heights and Wyandanch.

The total area of the Town includes approximately 4,530 acres of industrial zoned land. Recent major initiatives that have been embarked on in the Town are as follows:

- A major downtown revitalization effort for the hamlet of Wyandanch located in the northern central part of the Town. In connection with such redevelopment, the Town designated the downtown Wyandanch business district an Urban Renewal Area in accordance with Article 15 of General Municipal Law. The redevelopment is focused on the Wyandanch area that

surrounds the existing railroad station of the same name (which has been completely re-built) and included pre-development work including property purchases, re-zoning, securing necessary permits, community approval, demolishing existing structures and grading the properties, some of which is on-going. Phase I of the construction, handled by a private developer contracted by the Town through a request for proposal process, began in the Summer of 2013, and included the construction of Building A and Building B, which contain 177 residential units that are fully occupied. The construction of the Intermodal Plaza, which includes green space, ice rink and other amenities, was completed in 2016. The MTA has also constructed a new train station with platforms and sidewalks. Along with this redevelopment, the Metropolitan Transit Authority (MTA) constructed a five story parking garage. Construction is nearly complete on two additional buildings; first, the Liner Building, which will “line” the existing MTA/LIRR parking garage, with a 94 unit senior living building to be opened by the non-profit group Self Help; and second, a 1,200 square foot building to be used as the new Wyandanch Resource Center. In addition, an approximately 90,000 square foot health and wellness center has been proposed for Wyandanch Plaza and is currently seeking private and public funding sources.

The Town is currently planning for Wyandanch Rising Phase II. Phase II consists of the “block” to the immediate south of Long Island Railroad, bounded by Straight Path to the west, the LIRR to the north, Doe Street to the east and Commonwealth Drive to the south. Phase II is critical for the continued progress of the Wyandanch Rising initiative as it will provide the connection and “bridge” the development on the north and south sides of the LIRR. Phase II continues the existing transit-oriented development and connects the existing buildings and what is currently being constructed and planned in Phase I to the existing businesses along the Straight Path corridor. Phase II will also increase the quantity and diversity of downtown Wyandanch’s housing stock, while adding community-wide amenities, namely the proposed “South Lawn” area which will provide over one acre of Town-owned open space for both passive and active recreational opportunities, including a dog run, playground and community garden. The

existing Wyandanch Post Office building is a key component of the Wyandanch Rising Phase II development.

- The road reconstruction program rebuilding the Town's roads which began in 2004.
- Renovating, refurbishing and rebuilding the Towns parks and beaches.
- Continued Reconstruction of the Town Annex.

The Town has also received Community Development Block Grant funding on projects which are aimed at providing storm resiliency to our population. These projects include but are not limited to fixed generators at critical sites, waterfront resiliency bordering the Great South Bay, a study and construction work of the Carll's river tributary to mitigate localized flooding and the construction of two new bridges in the Hamlet of Copiague that were completed in 2020.

Financial Organization

Pursuant to Local Law No. 12, 1974, of the Town, certain of the financial functions of the Town are the responsibility of the Town Comptroller. The Supervisor, however, is the chief fiscal officer of the Town. The Town Comptroller is responsible to the Town Board and acts as the Accounting Officer of the Town pursuant to a Town Board resolution. The duties include administration, direction and control of the following divisions: Accounting, Accounts Payable, Accounts Receivable, Audit and Control, Payroll, Community Development Program, Housing Program and Risk Management. The term of the current Town Board-appointed position of the Town Comptroller expires December 31, 2025.

Employees

As of October 27, 2022, the Town provides services through approximately 409 full-time employees. The Town's contract with the Civil Service Employees Association covers approximately 117 employees and expires on December 31, 2024. The execution of this eight-year collective bargaining agreement enables the Town to provide services to its constituents in a fiscally responsible way. The Town also negotiated a six-year contract with Local 237, covering approximately

206 employees and expires on December 31, 2022. The Town looks forward to continuing our mutually beneficial relationship with the collective bargaining units.

Services

The Town is responsible for providing most governmental services to its residents and businesses. Highway construction and maintenance is a Town function under the direction of the Commissioner of the Department of Public Works. In addition, recreation services are provided, solid waste collection, recycling and disposal services are provided, and parks and beaches are maintained through the Town government. Other services performed at the Town level include: property assessment, building inspection, zoning administration and public safety. Police protection is provided by the County except in the Village of Amityville which has its own police force. Fire protection is provided by the Town's various fire districts or volunteer fire corporations. Public education is the responsibility of the ten school districts located in the Town, each of which is independent and has its own taxing and borrowing authority. The County provides various social and health services and law enforcement.

Transportation

Route 110 is one of the major north-south traffic arteries in the Town and is the center of an industrial corridor. Other major north-south roads are Route 231 and Wellwood Avenue. East-west highways include Route 109, The Southern State Parkway, Sunrise Highway (Route 27) and Montauk Highway (Route 27A). The northern portion of the Town is served by the Main Line of the Long Island Railroad with stations at Pinelawn, Wyandanch and Deer Park. This line is electrified to Ronkonkoma. The southern portion of the Town is served by the Montauk Branch of the Long Island Railroad with stations in Amityville, Copiague, Lindenhurst and Babylon. The Montauk Branch is electrified to Babylon. The Central Branch of the railroad connects the Montauk and main lines and provides freight facilities to industry in the area.

Republic Airport, which is operated by the New York State Department of Transportation, offers private scheduled service to points in the Northeast United States. LaGuardia Airport, J.F. K. International Airport and Long Island MacArthur Airport are all less than a one-hour drive from the Town.

Population Trends

Per the U.S. Census Bureau

	Town of Babylon	Suffolk County	New York State
1960	142,309	666,784	16,782,304

Budget Process

The Town's governmental funds are budgeted and reported using a modified accrual basis. Revenues are considered to be available when collectible and expenditures are recorded when incurred.

Each department outlines functions and goals for the coming operating year and prepares detailed estimates of revenues and appropriation requests needed to accomplish its goals. A budget committee consisting of the Town Supervisor, Deputy Town Supervisor, Chief of Staff, Deputy Chief of Staff, Government Liaison Officer, Comptroller and Deputy Comptroller review the requests with each department head individually. Upon completion of the review, the budget committee prepares a Tentative Budget for submission to the Town Board.

The budget process, including preparation, approval and amendment thereof, is stipulated by Article 8 of New York State Town Law. Pursuant to the law, the Tentative Budget for the following fiscal year must be filed in the Office of the Town Clerk on or before September 30th of each year. Following review and modification, a Preliminary Budget is compiled that includes all operating funds and a public hearing is scheduled and held by November 15th of every year. At this hearing, members of the public may express opinions which the Town Board may take under advisement. Approval of the budget is not subject to a vote of the electorate and the Town Board may make changes following the public hearing process. The Town Board is required by law to adopt the Final Annual Budget by November 20th of each year. During the course of the budget year, subject to legal provisions, the Town Board may make changes or modifications to the Adopted Budget when needed.

Budget Summary:

The primary goal of this Adopted Budget is to maintain critical and essential services to our residents and businesses. The \$176.0 million Adopted Budget is a responsible spending plan that enforces our fiduciary commitment to the Town’s taxpayers in this economy. The Adopted Budget continues to focus on maintenance of existing Town services and programs.

In March 2021, Moody’s Investor’s Services reaffirmed the Town’s bond rating at Aaa. The Town’s excellent credit ratings are a reflection of the sound, consistent budget practices, strong management controls and modest reliance on debt that have been a hallmark of the Town. In its most recent credit ratings report, Moody’s wrote, “The Town has not had any changes to the scope or timing of its major economic development projects as a result of the public health crisis or economic downturn” as well as “The rating is also driven by the Town’s financial position, which remains exceptionally strong and highlighted by cash and reserve well above the median for the rating”.

TOWN of BABYLON

Total Outstanding Governmental General Obligation Debt

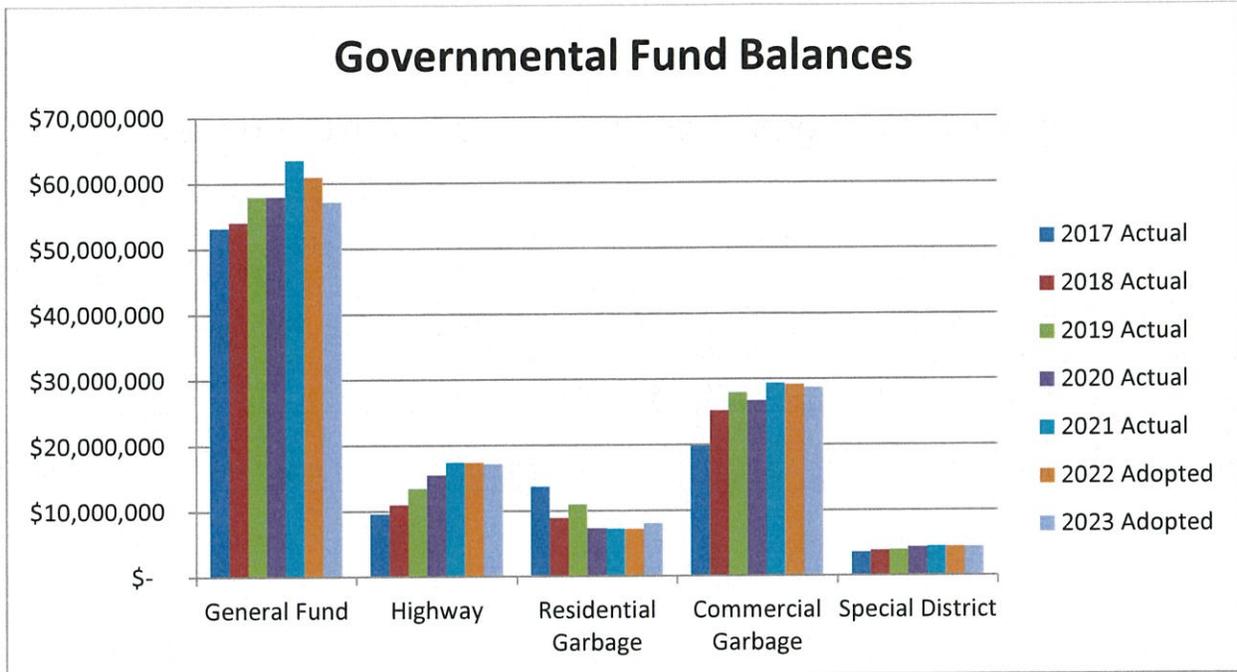

*Proprietary funds are not included.

The 2023 Adopted Budget continues to maintain sufficient fund balance levels in all of the Town's major operating funds.

TOWN of BABYLON
